The Tax Map is a State requirement and must be completed by 1980. 21. We, being voters of the Town of Roxbury, wishing to express our appreciation of the beauty of our town, do respectfully request, in harmony with the rights given us under the statutes of the State of New Hampshire in Chapter 253, Section 17, and all other rights inherent in us relating thereto, that the Selectmen of the town include in the warrant for the regular 1974 Town Meeting the subject of whether or not the voters will designate the road set forth herein as a scenic road, protected by this designation as set forth by statutory law.

The road we request being considered at Town Meeting is the Old Roxbury Road, one end of which may be known as the Marlborough Road.

We do request that said road be classified as a scenic road.

REPORT OF THE PLANNING BOARD

During the past year the Roxbury Planning Board met more than nine times and held three Public Hearings. Two 2-lot subdivisions were approved. Robin Hood Square, a cluster development of 16 2-bedroom houses was given final approval, provided the developer abided by twelve conditions specified by the Board to insure that the development would proceed at an orderly rate and not become a burden to the Town.

REPORT OF THE BOARD OF ADJUSTMENT

The Board did not have to act on any official business during the past year. I would like to point out that from time to time we have received requests to act on certain matters pertaining to zoning. After studying these requests, we found that in each instance the complaints had not been to the Planning Board for a hearing.

The Board of Adjustment is, by law, only a Town Arbitration Board; it is to be called into action only when all other town agencies have been approached without satisfaction. An individual would call upon it as a last resort before taking an issue to the State government.

Chairman

AUDITOR'S REPORT

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1974.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Road Agent, Selectmen and Trustee of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect it's true financial condition as of December 31, 1974 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, Trustee of Trust Funds, Road Agent and Constable are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been verified by written notice.

I would like to thank the town officers for their cooperation and assistance during the period of the audit.

Respectfully submitted,
Oliver F. Derby
Town Auditor

REPORT OF THE SCHOOL BOARD MEMBER

The Monadnock Regional School Board annual meeting was held in Swanzey on March 23, 1974 at 1 PM.

The proposed budget of $2,436,096 was raised and appropriated for the year 1974-75. Roxbury's share was 1.7% of the total cost.

The article on a vote to change the formula from 50% A.D.M. and 50% assessed valuation to a formula based on average daily membership only was defeated by a vote of 523 to 466.

Defeated also was a bond issue on proposed alterations and enlargements to some of the elementary schools and MRHS.

They voted in the affirmative to raise and appropriate $3,000.00 for new stage curtains at the high school.

They voted to purchase a comprehensive general liability insurance policy to provide indemnification for itself and its officers and employees as permitted in R.S.A. 31:105.

They also authorized any grants or funds for education to be accepted.

Officers elected were as follows:

Richard Talbot - Moderator
Ainslee Philips - Auditor
Philip Woodward - Auditor
Marilee Ballou - Board Member from Gilsum
George Whitham - Board Member from Sullivan
Gilbert Pride - Board Member from Surry
Robert Daniels - Board Member from Troy

All were elected for a three year period.

Attempt to have a special meeting to reconsider the bond issue was refused by the court in June.

A formula committee was organized to try and come to some favorable formula for all towns resulting in no practical solution and referred back to the school board.

Because of overcrowding, especially at the high school,

many meetings were spent listening to contractors proposals on a separate steel building for vocational studies and renovations of present shop area into classrooms. Also any renovations in any elementary schools. At years end it was decided to drop any bond issue due to the economy of the nation and manage as best as possible on what we have.

Entered at years end into any agreement with Keene to participate in the new Vocational Building program plans on a twenty year basis. The center is to be built with State funds and hopefully to be opening in 1976. We are eligable for full State funding on transportation and 75% of student tuition providing State law passes it.

Teacher negotiations with the board as a whole instead of a committee were continued.

House Bill 179 introduced by Representative Whipple, an act permitting Fitzwilliam and Richmond school districts to withdraw from the M.R.S.D. has held hearings and has been referred to the Educational Committee in Concord for further study. The outcome will be known by late in the Spring.

Annual Meeting will be held at M.R.H.S. on Saturday, March 22, 1975 at 1 PM.
